SITTERLE HOMES SPONSORS NEYSO NORTH SOCCER FIELDS

NEYSO TO RECEIVE IN-KIND CAPITAL IMPROVEMENTS

(San Antonio, TX)— Sitterle Homes has partnered with the North East Youth Soccer Organization (NEYSO) to aid in capital improvements at the organization's fields on Bulverde Road, which will now be known as the Sitterle Homes Soccer Complex.

Sitterle Homes will provide the organization with an entry monument and landscaping this school year for its fields located at 29064 Bulverde Road in North Central San Antonio. In return, NEYSO has granted the naming rights to the fields, exclusive advertising rights at the complex, sole builder sponsorship of the organization and the opportunity to renew the relationship each year through 2015.

"We are incredibly excited to partner with NEYSO and help them in their endeavors," Partners Frank Sitterle, Jr. and Jeff Buell said. "We look forward to assisting them in improving their facilities for the youth of San Antonio to enjoy."

Sitterle Homes will also contribute toward NEYSO's signage costs at the fields it utilizes in McAllister Park.

“We want to thank Sitterle Homes for their generous support of our organization,” NEYSO President Jerry Morales said. “We look forward to working with them hopefully for years to come.”
