**SITTERLE HOMES NAMED ONE OF SAN ANTONIO'S TOP 50
PRIVATE COMPANIES**

(San Antonio, TX)— The San Antonio Business Journal honored [Sitterle Homes](#) as one of San Antonio's 2009 Top 50 Private Companies at an award luncheon last Friday.

Each year, the business weekly surveys local companies to compile the list of successful, privately owned companies. The Business Journal ranks responding companies based on annual revenue figures. This year's rankings encompassed the most recent fiscal year ending between October 2007 and September 2008. To be eligible to earn a spot on the list, companies must have at least 50% of their ownership or control based in the San Antonio area. They also had to fall within one of the following sectors: communications, construction, distribution, entertainment, hotels/restaurants, manufacturing, oil and gas, real estate, transportation and wholesale/retail.

"We feel honored to receive this award again this year," Frank Sitterle, Jr., President, said. "We appreciate this recognition as we begin our 45th year of building homes in San Antonio."
